1. Insurer and Self-insurer (SI) members of the WCRA pay the same rates for WCRA workers' compensation (WC) coverage.

However, SI members must pay the premium tax required by the state of Minnesota for all WC policyholders and SI employers.

The rates on this page reflect the SI premium tax charge. The SI tax was first recognized in the rates for 1988.

2. The approved rates for 1996 and 1997 reflect the premium credit, effective 7/1/96 through 12/31/97, which was established by the Board in March 1996.

3. The 2003-2010 rates include an unfunded rate for claim payments above the prefunded limits.

Unfunded Rate	2003	2004	2005	2006	2007	2008	2009	2010

4. The 2004-2006 rates include a terrorism protection charge of 0.224%. The terrorism protection charge is applied to the exposure base of the previous year. Members were given a one-year lag in paying for a 2003-2005 terrorism reinsurance policy.
